

Roles for a co-opted Trustee (Governor) to join the Governing Board this academic year.

Old Earth School is 50 years old this year. We are a large two-form entry Primary School located at Lower Edge in Elland, West Yorkshire. We are fortunate to have a vibrant Early Years provision including wrap around care and holiday care and currently have up to 500 children on our school site each day.

We have excellent relationships with our families and the local community and have some exciting plans to further develop and enhance our provision.

As a Single Academy Trust we now have a vacancy as one of our long serving Trustees have moved to become a Member of our Trust. We are now looking for two new people to join our dedicated and successful Governing Board.

Our Trustees come from a range of different backgrounds, skills and experience but share a commitment to providing the best possible education and care for all the children in our school.

We would welcome the opportunity to meet anyone who:-

- Is interested in finding out more about our school and our plans for the future.
- Is community spirited.
- Is able to work well as part of a team.
- Is interested in early years and primary education.

We can offer:-

- An opportunity to be part of a successful, passionate community minded team.
- A chance to develop skills in strategic management in an education context.
- The pleasure of supporting our brilliant children to have the best possible education.
- A sense of achievement in making a difference to the whole school community.

You do not need to have expertise in education and we would be delighted to meet with people who have a range of skills from other sectors. You can find out more information about our school on our website www.oldearth.co.uk where you will also find a dedicated page to Governance including information about our Governance structure and the role of Trustees (Governors).

If you are interested in finding out more please contact the Clerk to the Governing Board, Mrs Anne Handscomb by emailing anne.handscomb@oldearth.calderdale.sch.uk . The Chair of Governors, Mrs Amanda Aspin, and the Headteacher, Mr Daniel Burns, would be delighted to meet with you to discuss the role further.

Further information and application forms are available on request. Further information about our school and the work of our Governing Board can be found on our website www.oldearth.co.uk
