

Super time in Seahouses

Our Year 5 children have had a great time in the North East this week.

As you can see from the pictures, the weather has been mixed—from the miserable mist and rain on Monday to the beautiful blue skies with fluffy clouds on Wednesday.

The children have enjoyed all their activities this week, with the Boat Trip to the Farne Islands and meeting their Penpals at the Disco being two of the most popular highlights.

The trip has a real mix of activities throughout the four days and includes a couple of long walks to take in numerous fabulous castles, villages and harbours...

the beaches are simply perfect—especially when the sun comes out. We are all looking forward to seeing the Year 5 assembly where the children will tell us all about the trip.

The children and staff are due back later this evening—approx. 8.30pm (Thursday).

The beautiful view from the castle to the Priory on Lindesfarne

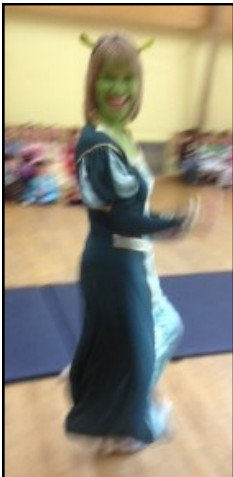

On the way back to the hotel from the Grace Darling Museum

End of topic Disney Party

It was Mickey Mouse meets Snow White and seven Buzz Lightyears meeting 12 Cinderellas in Reception Classes today!! In a fun end of topic party day, the boys and girls (and staff!!) had a ball.... The Disney Topic has really engaged and inspired the children to work EVEN harder in their lessons.

It is a good job that we've a week or so off now, as it will take Mrs Nichols a few days to get all her Green Princess Fiona paint off!! (and that's not even Disney, Natalie !!! !)

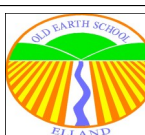

Holiday Club

Places still available—please contact Little Earth direct on 378450 or 375316

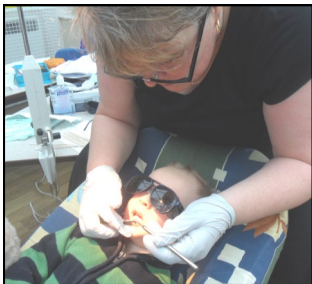

Before & After School Club

If you need to make any changes to your current requirements for the new school year in September—please contact us asap after the holidays. Otherwise we will presume that your child care requirements will remain the same for 2013-14

Dentist checks in Little Earth

Fruit & Veg Art

The children in Year Two have finished their topic with a fabulous 'Sculpture' competition. The standard was excellent, with sheep, penguins, turtles, mice etc etc being created out of items from the fruit bowl and veg drawer.

On Tuesday at Little Earth some of the three year old children took part in a dental survey. The dentist was very pleased with the condition of most of the children's teeth. Here is Joshua R looking really cool having his teeth checked out! A big thank you to Sally, the dentist, for her time

Lots more photos on the website after the weekend

NOTICEBOARD

DINNER MONEY : The half term's dinner money (Tues 4 June—Tues 23 July) is £61.20. This is our preferred method of payment, thanks.

Can your business Sponsor the Oaks Choir??

We are sure you have noticed our football / rugby teams, our cross country squads and our gymnasts in cracking new sponsored kits. The kit has all been provided by local businesses.

We are now looking to provide our award and competition winning 70 strong Oaks Choir with shirts to wear when performing. Can your business help? Your logo / company name will / can be displayed on the arm of each shirt.

Please contact the school office, Mrs Lambert or Mr Reynolds for more details.
